

Tiny Cubs

**NEW! 3-4
preschool
class**

Toshindo Karate is proud to offer a new program completely age appropriate for the little ones of the family. Preschoolers under the age of 5 will be able to enjoy a karate class designed specifically for them. This fun and playful class will:

- develop patience, respect and other skills needed to be in a group environment;
- help acquire motor skills required for more advanced karate classes and other sports;
- develop a child's focus, attention and learning skills needed in preparation for school;
- build confidence and self-esteem.

The format will be one 45 minute class per week held on Saturdays at 9:30am. The first session will run from January 5th to March 22nd 2008 and will include 10 classes. The cost for this session will be \$350. The price includes the uniform and a one time membership fee. Additional classes may be added depending on dojo availability and demand.

We will be holding two trial classes on December 15th and 22nd. Try one class for free or both for a \$10 mat fee.
